

Dhruv Cotton
Processing Pvt. Ltd

M. M. YARNS
PRIVATE LIMITED

PRANAV
OVERSEAS LLP

SPUN COTTON FOR THE GLOBE

ABOUT THE COMPANY

Pranav Overseas LLP is an emerging import and export house. The company is a group company of the Lakshya Group. The group began with business in chemicals and soon extended to include spinning mills and now with the vision to serve its international customers has stepped into overseas trading.

Pranav Overseas is blessed to be associated with **Dhruv Cotton Processing Pvt. Ltd. (DCPPL)** and **M.M. Yarns Pvt. Ltd.** Together these spinning mills, account to be the largest and leading producers of high quality **100% organic cotton yarn** as far as the private sector of Gujarat is concerned.

The mills are located in Jasdán, a town in the Rajkot district of Gujarat. The prime location in Saurashtra, which is famous for **Shankar-6 (S-6) cotton**, and having its own ginning facility gives them a competitive advantage in sourcing the best quality raw material.

DCPPL was established in the year of 2007 and has been able to gain the trust of its customers by providing them with the best quality of yarn and timely delivery of the product and other services.

M M Yarns was established in the year of 2014 and has added to the strength of the group with its ability to be proactive and constantly innovate.

INFRASTRUCTURE

Both the mills have carved a niche for themselves in the yarn market by serving their esteemed clientele with the supreme quality of yarn. The two spinning mills have a capacity of 27360 and 51072 spindles respectively. This makes it possible for the group to achieve the enormous production capacity of 18000 tons per annum.

Both the mills are equipped with state-of-the-art machinery having latest technology available in the industry that helps in manufacturing superior quality yarn.

Blowroom, Card, Comber, Drawframe, Speedframe and Ringframe from LMW

Link Corner from Murata

Yarn Conditioning from ELGI

Humidification Plant from LUWA

Having incorporated a robust system for preventive maintenance and on the floor supervision, helps in achieving high throughput and least downtime of the machineries.

We feel blessed and proud to be backed by a motivated, skilled and competent team of professionals and factory workers. We also take pride in having in-house training center to improve work practices and motivate women workers to work at par with their male counterparts in the mills.

QUALITY ASSURANCE

We thrive on our policy to attain customer satisfaction by providing them with the best quality of product and prompt services. The mills have a well-equipped laboratory for the purpose of testing the yarns. The laboratory has online monitoring facilities - contamination cleaner by **VETAL** and Electronic Yarn cleaner by **UsterQuantum 3**.

In addition to this are the offline testing machineries like **Premier HFT 9000**, **Statex** Trash Separator for fibre testing, **USTER Afis Pro2** for process checking and **Uster Tester 5** and **UsterClassimat 5** for yarn testing.

Both the mills are registered manufacturers of

certified cotton

Tarak L. Patel
(PRESIDENT)

Co-founder and Managing Director of Lakshya Group of companies, Mr. Tarak Patel started his career after graduation in Civil Engineering from BVM, VV Nagar, India in 1989. During his successful career as an industrialist, he has worn many hats right from setting up of the plant, manufacturing, looking at financial aspects and enveloping emerging markets. He is backbone of Lakshya Group of Companies. Today, under his leadership, the group enjoys patronage of more than 600 domestic and overseas customers in Asia, Europe, USA, Latin America etc. His multi-dimensional experience and skills will guide the new generation to attain new heights in Pranav Overseas.

Mehul Boghara
(CEO)

Mr. Mehul Boghara is the Director of DCPPL. He is a chemical Engineering Graduate and contributes to the functional activities, marketing strategies and operations at DCPPL. He has strengthened the organization by building diligent team of employees, skilled and unskilled laborers. His involvement in improvement of the quality and policies has led the mill to its present forte in the industry.

Mahima Patel
(CMO)

Mahima Patel is the newest addition to the group. After completing her graduation in Information and Communication Technology from Dhirubhai Ambani Institute of Information and Communication Technology, Gandhinagar, she aspired to step in the business world. Believing in hard work and the ability to manage diverse issues helps her fulfill her duty and grow.

THE TEAM

Dr. Bharat K. Boghara
(VICE-PRESIDENT)

Dr. Bharat K. Boghara's entrepreneurial instincts persuaded him to bid an adieu to his profession as a doctor and enter the textile industry. He is a well-known social activist and philanthropist in the Saurashtra Region. He has served as a Member of legislative Assembly in the Gujarat Government from Jasdan Region for 4 years. He is the President of All Gujarat Spinners Association and also a Chairman of Jasdan Agricultural Produce Market Committee. His keen business acumen, dynamic approach and leadership have helped the mill transform into becoming one of the best quality and cost effective yarn producer in Gujarat.

Nishant Patel
(COO)

Mobile : +91 99250 28908
Email : nishant20010@gmail.com

Nishant Patel is the new generation Entrepreneur who joined the group right after his graduation in Chemical Engineering from Manipal Institute of Technology. In a short span of two years, he has taken the the responsibilities of managing technicalities of the group's operations. A dynamic and energetic approach towards tackling all situations defines him.

Nupur Patel
(CFO)

Mobile : +91 90999 28908
Email : nupur@allnyx.com

Nupur Patel, a dynamic addition to the Lakshya group, earned her bachelor's degree in Electronics and Communication Technology from VVP, Rajkot. She has been heading the purchase department for one of the group companies and her strategic decisions have always been beneficial. Her expertise, dedication, and decision making skills have always added value to the group.
